## Review: Henry First: A Story of Excess by Basil Lawrence

Henry First: A Story of Excess by Basil Lawrence

My rating: 5 of 5 stars

This is an amazing, laugh-at-loud, dark comedy about a restaurant competition and the despicable lengths people will go to just to make sure they win. More than that, is a moral tale holding up a mirror to our selfish, heartless, win-at-any-cost society to show us all what a nasty lot we have become. The characters are all very well developed and the narration rich in detail. I really enjoyed this book, it is just the right length to catch up the reader in its story line and reach the end without a dull point. Very nice!
